We would like to welcome you to a 1 day non residential retreat facilitated by Richard Boyd. Richard offers a profound evolutionary healing process via the safe and supportive container of a group of like-minded individuals who come together to heal, support and witness others healing from their issues. The retreat is experiential and can provide profound healing and relief for states and conditions such as Depression, Anxiety, Stress, Trauma, Loneliness, Grief, Eating Disorders, Relationship issues, Sexuality issues, Self Esteem issues, Low Energy, Life Transitions and Crisis.

Recover from the trauma, embodied thinking and beliefs that bring on and reinforce these debilitating conditions. Reclaim your happiness and free yourself of patterns, issues, beliefs that no longer serve you and become the person you deserve to be. Break out of the grip of negative patterns and issues in your life, make the time to improve the quality of your health, happiness and wellbeing, your relationships and family connections. Disable and heal the causes of suffering in your life, and your own sabotaging patterns and issues. Get support and practice the daily techniques to maintain body mind centredness, presence and groundedness, so you can face life without distortions or stress.

Richard will facilitate the evolution of your process. While in "Process", you will work on specific issues of healing and recovery from your wounded self that you may struggle with everyday. You will be guided by Richard and supported by the group in a way that honours you and keeps you safe. You will gain inner strength, confidence and resilience. Your heart will feel more open and your life and vitality will expand even more.

You may experience Family Constellation, Sensorimotor Trauma resolution, Breathwork, Reichian, Hakomi, Bionenergetics or Core Energetics techniques in your process.

The facilitator Richard Boyd is an experienced somatic psychotherapist who practices Integrative Body Mind Psychotherapy™ in Perth, Western Australia.
