Cert. Transpersonal Counselling
Cert. Executive Coaching AICM
Extended DISC Personality Profile Tool Accreditation

We each think of ourselves as an individual, and often give little consideration to the family systems that are our inheritance and heritage. We are all in fact interconnected unconsciously and energetically to the alive, evolutionary web of relationships and their interacting and interrelating dynamics.

Complex systems research reveals we each have a context to our own family constellation or system, which may be emergent from generations ago. We in fact may be unconsciously playing out a role of sickness, mental illness, depression, crime, affairs, suicide, hardship or some other there, from unresolved and entangled family dynamics going back in generations, and now living itself out as themes and patterns down the generations of your mother's or father's family system, of which you are part.

This workshop both explains the key theories of Bert Hellinger Family Constellations work, as well as the work of psychiatrist Dr. Kenneth McAll's psychiatric and healing work using family genealogy and systems frameworks. We will experientially setup several attendees' family constellations to highlight and make conscious the key elements and dynamics inherent in some actual family systems represented at the workshop. Family Constellation process work is a powerful tool for healing. Many people who have come to IBMP after years of individual therapy and counseling have found the "missing piece" in their problems rooted in the family system which individual therapy was blind to, due to a different context of focus. Could this be you, or a member of your family?

The facilitator Richard Boyd is an experienced somatic psychotherapist who practices Integrative Body Mind Psychotherapy™ in Perth, Western Australia. Richard Boyd facilitates family and organizational constellations in his therapy practice.

Dome Cafe Maylands is the old Peninsular Hotel, and is the large 2 storey red brick Federation building opposite the train station in Maylands, Perth.
